<u>This is UNEVALUATED Information</u>		
25X1		

1. At 1640 on 27 August 1955, a Soviet train departed toward Vienna from the railroad station of Moedling. It included 2 boxcars which were occupied mainly by soldiers wearing black-bordered black epaulets and some wearing black-bordered blue epaulets; 4 boxcars which were occupied by soldiers wearing black-bordered red epaulets; 5 express-train coaches which were occupied by officers and some women without children who were presumably employees of the armed forces; and an undetermined number of flatcars which were loaded with 4 motor vehicles inclusive of sedans and truck and were guarded by a sentry who wore red-bordered black epaulets. 25X1
2. At about noon on 25 August 1955, a Soviet troop shipment was observed at the Felixdorf railroad station. It included 2 boxcars which were occupied by officers and soldiers wearing red-bordered black epaulets, some with motor transport insignia, and an undetermined number of flatcars which were loaded with 13 trucks, and 7 van-like trucks. At 1345, the train departed from the Felixdorf railroad station and went toward Wiener Neustadt. 25X1
3. On 25 August 1955, motor columns as specified below left Blumau for entraining at the Leobersdorf railroad station:
 - At 1330, about 30 motor vehicles which included trucks and tank truck all with drivers wearing red-bordered black epaulets; truck van-like trucks, all with drivers wearing red-bordered black epaulets with motor transport insignia; and trucks all with drivers wearing red-bordered black epaulets, some with motor transport insignia. 25X1
 - At 1400, 21 trucks which were loaded with billeting equipment, boards and timber, all with drivers wearing red-bordered black epaulets; and van-like trucks Officers and enlisted men wore red-bordered black epaulets, most of them with motor transport insignia. No weapons or items of equipment were entrained. Despite the large number of motor vehicles, only a few soldiers were observed. 25X1
